

Infection Prevention Conference

Brought to you by Greater Omaha Chapter of the Association of Professionals in Infection Control and Epidemiology (GO-APIC)

“Leading the Way in Infection Prevention”

Infection Prevention Conference

Friday, August 25, 2017 CHI Health - St Elizabeth in Lincoln, NE

This conference will feature regional experts who will address current infection prevention issues.

Target audience:

Those interested in infection prevention in hospitals, ambulatory care, and long term care/assisted living facilities.

Details:

-The conference will be held at CHI Health Saint Elizabeth located at 555 S. 70th St, Lincoln, NE 68510.

The conference will be on the lower level, in the Rose and Franciscan Rooms.

-Registration and Vendor exhibits begin at 8:00 with coffee, water and rolls available.

-The conference begins at 8:50 AM and should be completed by 4:15 PM.

-Lunch is included with vegetarian option available if needed.

-Please plan to bring a light sweater or jacket to the conference as the rooms may be cool.

JOIN US FOR A SOCIAL EVENT!

The evening of August 24 we are planning to view the “Guts & Glory: A Parasite Story” exhibit at Morrill Hall on UNL Campus, located at 645 North 14th Street in Lincoln, NE. Admission is \$6. We will eat dinner together after the viewing so please join us if you are in town!

Objectives

1. Identify steps to building the business case for the infection prevention program.
2. Discuss the current information on infection prevention and control in various health care settings.
3. Discuss antibiotic stewardship in acute care and long term care settings.

APIC (Association for Professionals in Infection Control and Epidemiology, Inc.) Website: www.apic.org

Nebraska’s APIC chapter includes members from all over the state and is called Greater Omaha APIC.

For information about the chapter and membership please go to www.goapic.org

APIC promotes wellness and prevents illness and infections worldwide by advancing health care epidemiology through education, collaboration, research, practice and credentialing.
