

Purpose

At this symposium, you will learn about how to utilize antimicrobials to provide best treatment while minimizing damage associated with antimicrobial exposure. You will learn how to cultivate and advance antimicrobial stewardship programs in your local health care institution.

Who should attend

All physicians, PAs, APRNs, nurses, pharmacists, lab technicians and anyone interested in antimicrobial stewardship.

Registration

Register at <https://www.gphealth.org/antimicrobialsymposium2018>
Questions, contact Pat Richards at richardsp@gphealth.org or 308.568.8640.

Cost

Great Plains Health is offering this educational conference at no cost to participants. Continental breakfast and lunch provided.

Credits

Great Plains Health is accredited by the Nebraska Medical Association Commission on Medical Education to provide continuing medical education for physicians. Great Plains Health designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

Great Plains Health is an approved provider of continuing nursing education by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. NE-1020-3, 6.5 contact hours.

To get full nursing credit you must attend 100% of the course and submit a completed evaluation.
